Cadmium red light

Alizarin Crimson

Azo yellow or Cad Yellow light

Cadmium Yellow hue or medium

Sap Green or Hookers Green

Cadmium Orange or Orange

Yellow ochre

Titanium White 150 ml.

Centre for Creative Arts in GP carries supplies for my classes.

You will need a small assortment of synthetic brushes. All brands have different sizes for the same numbers so please go by the inch measurements.

2 brights 1- 1/2 inch wide & 1 - 3/4 inch wide

2 filberts 1 - 1/2 inch wide & 1 - 3/4 inch wide

2 rounds 1 small & 1 medium

1 hake 1 to 2 inches

1 liner brush size 00 or 0 or 1 (liner brushes are short handled with long bristles)

You will need one round bristle brush about 1/4 inch wide. (The cheaper the better for this one).

You will need a small bottle of odourless thinner and a pad of disposable pallet paper.

Another good item to have is a pallet knife for moving paint on your pallet. A package of the white plastic ones would be fine.

For the beginner class you will need:

2 - 8x10 canvases

1 - 11x14

You will also need a roll of paper towel.
