

Watercolor paints:

warm yellow such as cadmium yellow med

Cool yellow such as Hansa, lemon or azo

Warm red - cadmium red medium

Alizarin crimson

Cool blue - ultramarine

Warm blue, cerulean, manganese

Burnt umber and yellow ochre are useful shortcuts but not necessary.

Palette

Paper towel

Scrap paper for testing colors

Hard pencil (4H) and white eraser

Indelible black pen (ultra fine sharpie or micron .03-.05)

Watercolour paper, dense and sturdy such as 140. Lb. Cold press - enough for 2 5x7” pieces

Watercolour brushes

A small selection of photos to paint from

Note: I will bring plenty of extra materials for those who do not have them. I will also bring a selection of photos for those who don't have/forgot them.
